This is the main privacy policy for RailindiGo. At RailindiGo we collect different types of information about our users for four main reasons:

- To provide personalized services unique to individual users.
- To help us to monitor and improve the services we offer.

Our principles

- We do our very best to protect your privacy by using security technology appropriately. This means:
- we make sure that we have appropriate security measures to protect your information.
- We will collect and use individual user details only if we have your permission or we have sensible business reasons for doing so, such as collecting enough information to manage subscriptions.
- Our site is accessible via the internet. This means that people around the world who access our website can see anything you post on the website, for example, comments about an article.

How we use your information

- When you send any message to RailindiGo page/app we store SenderID and use Facebook graph api to extract demographic information such as First name, Last name etc.
- We store all valid user interaction with RailindiGO app for better customized interaction.

Changes to the privacy policy

Should we elect to change our privacy policy we will post the changes here. Where the changes are significant, we may also choose to email all our registered users with the new details. Where required by law, will we obtain your consent to make these changes.
